ENSURING EXCELLENCE

25th February 2021

Dear Parents and Carers,

Full Reopening of The Telford Park School

Further to my previous communication I am pleased to be sharing with you our timings for the return of all pupils from 8th March. Pupils will continue to receive remote education until their return date.

All key worker and vulnerable pupils who are attending school currently will continue to attend as normal from 8th March therefore the information within this letter does not apply to this group of pupils.

As stated previously a new change to the guidance is that all pupils will be offered the opportunity to be COVID tested once before they return to face to face lessons and then twice more whilst at school. After the third test pupils will be provided with two home testing kits per week.

We have already provided you with information about the lateral flow tests which as you are aware are asymptomatic tests. This means they are designed for people who do not have any COVID symptoms. If your child is showing symptoms, you must follow the self-isolation and testing guidance.

If you have not already given consent for your child to be tested please do so by following this link:

The tests are not compulsory however we strongly urge you to consent to help protect your child, your family, and our school community.

Pupils start times depend on their year group and the first initial of their last name. Please have a look at the times and dates carefully so that your child arrives on the correct day and time.
