**Year 9 Options Evening – Tuesday 9<sup>th</sup> March 6pm**

Dear Parents and Carers,

On Tuesday 9<sup>th</sup> March at 6pm we will be holding our options evening for year 9 students and their families. With Covid-19 restrictions anticipated to still be in place at this point we have decided to make this a virtual event hosted on Zoom.

Meeting ID: 761 5712 3260

Passcode: vYAA00

The evening will consist of a presentation to outline the following:

- An overview of the curriculum offer at Key Stage 4;
- An explanation of the different options students may take including the compulsory; subject and those which students may choose from;
- An explanation of the application process;
- Information about the guidance which is available to students from their teachers;

Following the meeting you will be guided to our school website, where we will be hosting a number of information videos about the different options subjects so you can find out more about them from the subject experts including future destinations post 16 and post 18.

In preparation for the process we would recommend that you took some time to go through the kudos careers website with your child and also completed a pre choices questionnaire:

- Sign up with the licence code jobshow92

A user guide is attached to the email this came with and pupils should “take the test to explore your perfect career” first. This will give you some ideas about careers and the different subjects you may need to consider to access them.

### **Pre-Choices Questionnaire**

This is to help us understand what pupils think prior to the options taking place. The link will take you to the form where pupils need to log in with their school email and password (this is what they have been using to study on teams). Pupils will receive this email to their school email accounts as well and it will be posted on Teams: [CLICK HERE](#)

Should you have any questions about the options process please do not hesitate to contact us at the school.

Yours Sincerely,
