

Telford Park School

End of Year Letter from the Headteacher

July 2025

Dear Parents, Carers, and Members of the Telford Park Community,

As we reach the end of another academic year, I want to take a moment to reflect on the incredible journey we've shared and to thank you for your continued support, trust, and partnership. It has been a year of growth, progress, and pride for everyone at Telford Park School. We wish our leaving Year 11s the best Post 16 and look forward to welcoming our new Year 7s.

A Year of Progress and Achievement

This year, we have made significant strides in several key areas that are vital to the success and wellbeing of our students:

Safeguarding:

The safety and wellbeing of our students remain our highest priority. We have strengthened our safeguarding procedures, enhanced staff training, and introduced new systems to ensure every child feels safe, supported, and heard. Our recent safeguarding audit highlighted the school as a model of best practice, and we are proud of the culture of care we continue to build.

Staffing:

We welcomed a number of talented and passionate educators to our team this year, and their impact has been immediate and inspiring. With a stable and committed staff body, we've been able to offer greater consistency and support across all year groups. Our staff retention has improved significantly, and we are proud of the collaborative, professional culture that defines our school.

Teaching and Learning:

Teaching at Telford Park has gone from strength to strength. Through targeted professional development, and a relentless focus on high-quality instruction, we've seen improvements in classroom practice and student outcomes. Our internal assessments show strong progress across subjects, and we are excited to see this reflected in our upcoming exam results.

Curriculum Development:

We have continued to refine and enrich our curriculum to ensure it is broad, balanced, and ambitious for all learners. Our students have had access to a wide range of opportunities that challenge and inspire them. Our curriculum now better reflects the diverse world our students live in, and prepares them for life beyond school.

Behaviour and Culture:

Our students have shown remarkable maturity, kindness, and resilience this year. With the introduction of a refreshed behaviour policy and a focus on restorative practices, we've seen a notable improvement in conduct, attendance to lessons, and engagement. The school feels calm, purposeful, and inclusive—a place where students can truly thrive.

Looking Ahead

While we are proud of what we've achieved, we know there is always more to do. Next year, we will continue to focus on raising standards, deepening our community partnerships, and ensuring every student leaves Telford Park with the confidence, skills, and qualifications they need to succeed.
