The main points are:

- candidates may appeal if they feel their non-examination assessment has been assessed unfairly, inconsistently or not in accordance with the specification for the qualification;

Results, Review of Results (RORs)

All Awarding Bodies offer a service for enquiries about results on payment of a set fee.

There are three types of service available:-

Service 1 (Clerical re-check)

This is a re-check of all clerical procedures leading to the issue of a result.

Service 2 (Post-results review of marking)

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. The service is available for externally assessed components of both unitised and linear specifications.

Service 3 (Post-results review of moderation)

This is a review of the original moderation to ensure that the assessment criteria have been fairly, reliably and consistently applied. Please note that if the centre's controlled assessment or coursework marks have been accepted without change by an Awarding Body, this service will not be available.

When an enquiry is made there are three possible outcomes:

- The original grade mark is confirmed as correct and there is no change to the grade.
 - The original mark is raised so that the final grade may be higher than the original grade received.
 - The original mark is lowered so that the final grade may be lower than the original grade received.
-
- EARs may be requested by the Head of Department or candidates if there are reasonable grounds for believing there has been an error in marking.
 - If a result is queried, the Exam and Data Officer and the Deputy Headteacher will investigate the feasibility of asking for an ROR at the expense of the school.
 - When the school does not uphold an ROR application, a candidate may still request for an enquiry to be made providing they have paid the relevant fee prior to the deadline for submitting the application.
 - The consent of candidates must be obtained for all EARs requiring a clerical re-check or a review of the marking.

A candidate wishing to make such an enquiry should initially contact the Exam and Data Officer, their subject teacher or the Head of Department. If they then wish to proceed with an appeal they will be asked to sign to acknowledge that they understand that there are three possible outcomes and that they give their consent to the enquiry about results being made. Candidate consent is **not** required for **post-results review of moderation** as candidates' marks may be lowered but their published subject grades will **not** be lowered in the series concerned.

If the school supports the enquiry the fee payable to the Awarding Body will be met by the school, if a candidate wishes to make an enquiry independently they will be asked to pay the fee before the

enquiry is made. The school will make a decision on whether to support the enquiry based on several factors including knowledge of the exam system and professional judgment.

The candidate will be notified of the outcome of the enquiry as soon as notification is received from the Awarding Body. If the enquiry leads to the grade changing to a higher grade, any fee paid by the candidate will be refunded.

Review of Results (ROR's) is an extension of the process to examine the procedures that were used in arriving at the awarded marks.

Access to Scripts (ATS)

- After the release of results, candidates may ask subject staff to request the return of their exam scripts; a fee will be payable for this service.
- Heads of department may request for exam scripts to be returned for teaching and learning purposes after obtaining the consent of candidates.
- GCSE re-marks cannot be applied for once a script has been returned.
