

Logo	App/Website	Age	Brief Description
	YouTube	13+	Place to watch, create and share videos. You can create your own YouTube account, make a music playlist, and even create your own channel, which means you will have a public profile, and it allows you to comment on videos and create video playlists. For younger children there is a separate YouTube for Kids site, with child friendly videos.
	Facebook	13+	Social network that allows you to create a profile about yourself and also post photos, videos and statuses whilst being able to comment on other peoples posts.
	Kik	13+	Instant messaging app using wifi and mobile data where you can create a username and message people without using your mobile number. Photos, games and news can be shared as well as events organised. Users can be searched for by age.
	OoVoo	13+	Video chat app that lets you make video calls, voice calls and send texts to friends and family. You can also start a group video chat with up to 12 people. Default privacy settings are set to 'public', so you can talk to people you don't know, but they can be changed so that you can just talk to your friends.
	Minecraft	13+	Game that lets you build and create a virtual world with building blocks. It also has a multiplayer function that allows you to combat, chat and play with others.
	Mini Clip	13+	Online gaming website where you can compete and play against other people and even create your own game players page with statistics. You can instant message people and comment on the games.
	Snapchat	13+	App that lets you send a photo or short video to your friends. The 'snap' appears on screen for a matter of seconds before disappearing. There's also a feature called Snapchat Story that lets you share lots of snaps in a sequence for up to 24 hours.
	Snaphack	13+	Works alongside Snapchat to permanently save any 'snaps' that are sent to you without notifying the sender.

	Instagram	13+	Picture and video sharing app where you can use hashtags to share experiences with an online community. You can follow other people including celebrities and companies.
	Yik Yak	18+	Online bulletin board. It uses the GPS settings on your mobile phone or tablet to find your location and show you the most recent posts from other people around you. As well as posting your own content, you can post and vote on other people's bulletin boards
	Skype	13+	Computer programme and app, which lets you make audio and video calls to other users around the world. You can also send instant messages.
	AskFm	13+	Social networking site where you can ask other people questions. You can choose to ask the questions anonymously if you want.
	Twitter	13+	Messaging service that lets you post public messages called tweets and retweet other user's messages. These can be up to 140 characters long. As well as tweets, you can send private messages.
	Whatsapp	16+	Instant messaging app which lets you send messages, images and videos to friends. You can have one to one and group conversations.
	Pinterest	13+	An online interactive pin board. You can create collections of pin boards using your own images and you can also re-pin things from other people.
	Tumblr	13+	Social networking site that lets you share text, photos, quotes, links, audio clips, slideshows and videos. And you can customise your page and share other people's posts. You can also send private messages.
	Google+	13+	Where you can share photos and videos, instant message or make video-calls. You can create circles of contacts and have virtual hangouts.
	Vine	13+	Social networking app that lets you share 6-second videos that play on a loop. You can also repost videos created by others and leave comments.
	Chat Roulette	No age indication	Let's you talk to another person anywhere in the world. It connects you to someone at random and you can then talk to them via video or text.

	Meow	13+	Allows you to chat with strangers in a public chat room, it then gives you the option to move the chat to a private conversation. You can also chat to people based on locations.
	Dubsmash	14+	Let's you create your own music videos dubbed with famous sounds and quotes which can then be shared with friends or people from around the world. Can expose children to inappropriate content and explicit language.
	Movie Star Planet	8+	Online game where you can create a famous movie star character to talk to others in the chat room, play games and watch videos.
	Omegle	13+	Social networking site that randomly connects you to another person who's on the site. It lets you talk to them in a one-to-one audio or video conversation. You can both appear as anonymous, unless you decide to share your personal information.
	Moshi Monsters	13+	An online game where you can adopt and look after a pet monster. You can use your pet monster to make your way through different challenges and games.
	Club Penguin	13+	Online multiplayer game where you can explore a virtual world using a cartoon penguin character. You can also talk to other players.
	Tinder	13+	Dating app where you are shown other people's profile photos and you swipe left for 'no' and right for 'yes'. When two people swipe right on each other they can talk directly. Using GPS you can search for people in the same area as you. Has two separate communities; adults 18+ and young people aged 13-17.
	FML	13+	Online community where you can post a message about an unfortunate incident you have had. Captions usually start with 'today' and end with 'fml'. Users can comment on other people's posts.
