

Dear Parents and Carers,

I would like to begin by thanking you for your continued support throughout this academic year. It has been a pleasure to see our students thrive, and there have been many highlights to celebrate.

Recently, we enjoyed a wonderful Year 11 Prom, where we marked the end of our pupils' GCSE journey with a fantastic evening of celebration. It was a joy to see them come together and enjoy this well-deserved occasion.

We have also been incredibly proud of the dedication and conduct of our Year 10 pupils, who are currently undertaking their Mock Exams. Their commitment to arriving early for additional revision sessions demonstrates their determination to succeed as they prepare for Year 11. Well done to all of them for their hard work during this important period.

A quick reminder that Monday 30th June is an Inset Day, and no students are expected to be in school. I hope this provides an opportunity for families to spend some time together as we approach the summer break.

Sports Day 2025

This year, we have made the decision not to hire the facilities at Oakengates Leisure Centre for Sports Day. In previous years, the school incurred significant costs (over £5,000 for transport alone), and feedback from students indicated that many did not participate in the activities or would prefer a more inclusive event.

Instead, we are excited to introduce Sports and Activity Week, running from 14th July. This will feature a range of engaging and inclusive activities designed to involve all students in a fun and competitive environment. While this is a change from tradition, we believe it will provide a fantastic opportunity for teamwork, achievement, and enjoyment for everyone. Further details, including the schedule, will be shared with you shortly.

If you have any questions, please contact Miss Oakley at roakley@aatrust.co.uk.

End of Term Plans

To confirm our arrangements for the final week:

- **Thursday 17th July:** All students will finish at 2.10pm to allow staff to complete statutory training in preparation for September 2025.
- **Friday 18th July:** All students should attend school, with an early finish at 12pm for the summer holidays. For those students with Free School Meals, a packed lunch will be provided.

If you have any questions, please do not hesitate to contact jwarburton@aatrust.co.uk.

Thank you once again for your ongoing support. I wish you and your families a restful and enjoyable summer break.

Best wishes,
Ms A. Huntington
